

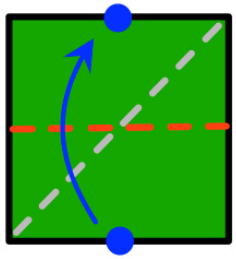
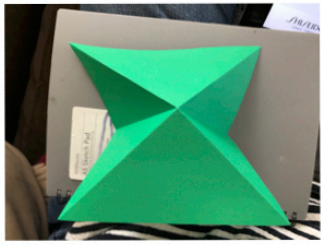
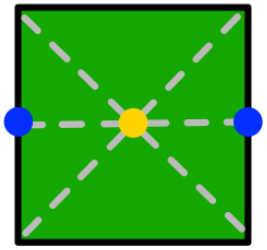
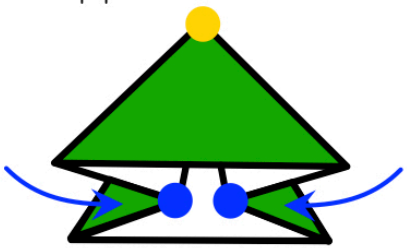
1. Fold a square piece of origami paper diagonally from corner to corner on the reverse side of the paper. Flatten paper.

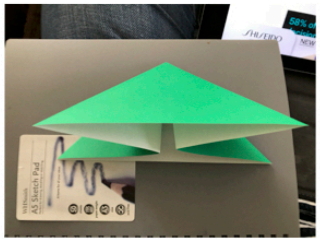




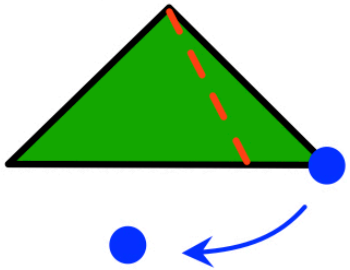
2. Turn the paper over and fold bottom edge to top edge. Flatten paper.

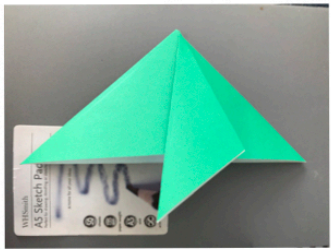


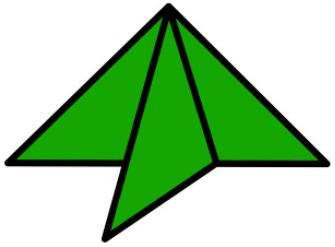




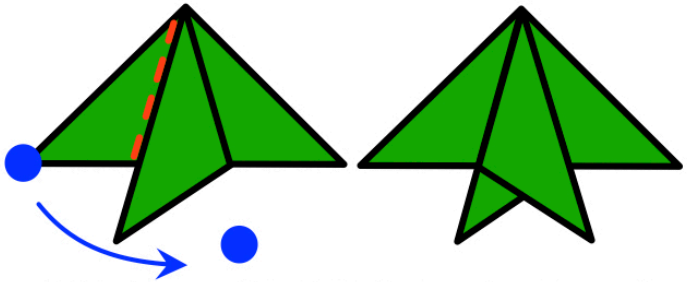
3. Take the mid points on each side marked in blue and fold them to meet in the middle forming a triangle.



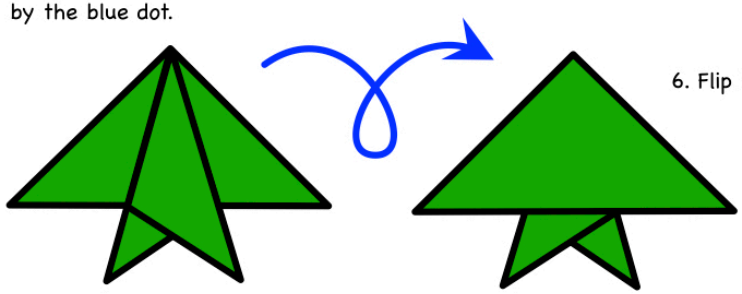




4. Make a fold in the top layer from the top of the triangle to approximately 2/3 along the bottom edge to form a smaller triangle shown by the blue dot.



5. Make the same fold with the top layer from the opposite corner.



6. Flip the paper over.

7. Use a sharpie or googley eyes to finish your fish.
